

Student 1-1

Baseline Assessment Report

Overview: This report shows your current level across different entrepreneurial skills, mindsets, and knowledge areas. These levels are not grades, they simply help you understand where you are today and where you can grow next. Every entrepreneur starts somewhere, and with practise, curiosity, and persistence, each of these abilities can continue to develop.

Performance Evaluation

Parameter	Assessment
Communication Skills	Proficient
Problem Solving	Proficient

Assessment Guide

Beginning

You're just getting started, keep exploring and practising to build this entrepreneurial skill.

Developing

You are building momentum, a little more practise and experimentation will make you stronger.
