

VentureKids Project Assignment Brief

Bring your idea to life, one step at a time.

What You'll Do

This assignment asks you to work through the current session's topic and turn what you learn into a small, real project. Follow the steps below, then submit your work for your trainer to review.

Assignment Steps

- Watch the session video and take short notes on the key idea.
- Identify a real problem or opportunity connected to the topic.
- Sketch or describe your idea in your own words.
- Build a simple version of your idea (a drawing, model, or written plan).
- Write 2-3 sentences explaining how your idea helps solve the problem.
- Submit your work through the assignment page before the due date.

What to Submit

Format	Photo, PDF, or short write-up of your work
Length	1-2 pages, or a single clear photo
Reviewed By	Your assigned VentureKids trainer

How You'll Be Reviewed

- **Understanding** — Does your work show you understood the session's idea?
- **Effort** — Did you put real thought and care into your submission?
- **Creativity** — Is your idea original and clearly yours?
